I, the undersigned, hereby declare that:

- I am aware that after this request is approved, I will not be able to cancel my volunteer duty, except with the authorization or the appropriate authority.

In addition, the conditions of my service, including pay and calculation of length of service, will be identical to those used with all soldiers serving in the army.
- I understand that this declaration in no way obligates the army to draft me if the army comes to the conclusion that because of the army's needs or my personal criterion, it is not appropriate to draft me.
- To the best of my knowledge I am not, nor have I ever been, a citizen of Israel.
- To the best of my knowledge I am medically fit to serve and as proof attach medical referral testifying to my fitness to serve.
- My last entry date to Israel was \_\_\_\_\_, and I live here without my parents.
- I am obligated to immediately notify the Army of any change in my civilian standing, the effect of which might be a change in the period of service in the IDF, in accordance with the Law of Obligatory Service.
